Chameleon

Optical USB Notebook mouse with rotating 7-color LED

You want an attractive mouse for your office, at home or on the road? Then choose the Chameleon! This light-weight USB mouse with its rubber coating has a good grip and is easy to use. With its optical surface resolution of 800 dpi and 3 buttons including scroll functionality it allows for the most precise operation possible. The semi-transparent hull lets the light of the LED shine through which constantly changes colors according to a random principle and lights up your surroundings. Enjoy your work with the "Chameleon" mouse.

Optical USB Notebook Mouse, 800 dpi resolution, rotating 7-color LED, cable length 80 cm, rubber coating, Plug & Play, Windows® 98 SE, ME, 2000, XP & Vista. Mac OS X or higher.
